4. **Describe your professional self**

Samuel is a result-oriented professional with integrity, vast knowledge and experience in projects and programme activities. My interests are project planning and management, public private partnerships and consultancy in areas of my expertise. I am a team player and have well-developed lobbying, advocacy, and organizational skills.

Samuel aspires to be an astute scholar of development studies, project management expert, contribute to knowledge development through research & dissemination, and build capacities of people and communities to overcome poverty and human under-development in Africa and the world.

5. **Area/ Field of specialization:** Project planning and Management

6. **Research interests:** Participatory Action Research, Monitoring and Evaluation, Public Private Partnerships and General Project Management

7. **Peer-reviewed Publications**
